

Meet Chuck.

(Like 'cluck'... get it?)

Chuck is up at the break of
DAY, using his voice to get
everyone on the same page.

He likes to use his bold voice, struts
confidently to the rhythm of the beat, and
loves when people stop to appreciate his
pretty plumage.

(Chuck is not afraid of alliteration)

Chuck is **MADE** up of
some pretty cool parts

Unique and
balanced
tailfeathers

Chuck is dynamic.

Chuck is colorful.

Chuck has something to tell you.
